Date: April 4, 2012

SERVICE SYSTEM DATA AND STATISTICAL INFORMATION INTEGRATION. In coordination with the legislative interim committee and workgroups initiated pursuant to this Act, representatives of the department of human services, department of public health, and the community services network hosted by the Iowa state association of counties shall develop implementation provisions for an integrated data and statistical information system for mental health, disability services, and substance abuse services. The implementation provisions shall incorporate federal data and statistical information requirements. When completed, the departments and affiliate shall report on the integrated system to the governor, the joint appropriations subcommittee on health and human services, and the legislative services agency, providing their findings and recommendations.
